ELITE ID CAMP FAQs

WHAT EVERY CAMPER SHOULD KNOW

Do you provide evaluations? Yes, evaluations will be provided on the last day of camp at closing ceremonies for all campers with the exception of the Summer ID Camp. These evaluations will be an honest assessment from the UCSB coaching staff based on your potential to compete at the inter-collegiate level.

Do the camps provide recruiting information? There will be a panel discussion led by the college coaches in attendance to discuss the recruiting process to all campers. In addition, coaches use these camps as a recruiting tool, and many past participants are currently competing at the collegiate level. Each college coach will be provided with a profile book of all campers bio's in attendance.

What forms of payment do you accept for registration? We are only accepting major credit card payments online. In the event that you cannot register online or provide a credit card for payment, please contact us to make other arrangements.

When is check out for residential campers? Camp will conclude at 3:30pm for the Summer ID camp and between 11am and 12pm for the 5 and 4-day camps. Campers will not be able to check out until the camp director has thoroughly inspected their hotel room/living quarters on the last day. All campers can be picked up at Robert Field on the final day at the completion of closing ceremonies.

When do I get to camp? Registration for the Summer ID camp is between 9am and 10am. Registration for the 5-day camp is between 2pm and 4pm. Registration for the 4-day and Youth Elite camps is between 2:30pm and 4pm.

When is the day/commuter camper daily schedule? You will spend the

entire day and most of the evening at camp, joining the resident campers for all activities.

If I am a day/commuter camper, should I bring anything with me to camp? YES! We recommend that you bring a daily pack with the following items: ball, water bottle, spare shirt/shorts/socks or appropriate clothing for each activity that will be described to you at registration.

Do I need any spending money? Yes, we recommend bringing \$50 in spending money for snacks in the camp store (Jersey's will be on sale). Please do not bring any pre-written checks.
