What Every DAY CAMPER

Should Know:

We are very excited that you are going to be joining us this year for the 2020/21 Santa Barbara Soccer Day Camp. Here are some important facts that apply to Day Campers.

Check in/ Check out

You are to arrive at camp 15 minutes prior to the start of each session and pick-up must occur promptly at 1pm or 3pm everyday (1pm Friday). ALL campers must have parent or guardian check-in and check-out with camp staff every day.

What is my daily schedule?

During the Half-day and Full-Day Camps players will experience components from all four major facets within the game of soccer (Tactical, Technical, Physical and Mental). Examples of such are Technical concepts: Passing, Dribbling, Shooting and Receiving Tactical concepts: understanding of basic support and movement

Also, players will be given the opportunity to work on these basic and advanced skills in a fun and positive environment.

Should I bring anything with me to camp?

YES! We recommend that you bring a daily pack with the following items: water bottle, spare shirt/shorts/socks or appropriate clothing for each activity that will be described to you at registration.
